APPROVAL OF JUSTICE REINVESTMENT INITIATIVE (JRI) APPLICATIONS TO COMMISSION FOR CORRECTIONS AND JUVENILE JUSTICE (CCJJ)

Sanpete County is submitting for full funding for implementation and testing of the Justice Initiative (JRI) program. The submission is based on using a full-time employee to intake and assess the risks and needs. The program will deal with substance abuse and mental health issues. There is concern that mental health does not respond to the jail. Commissioner Jarrett will address this issue with mental health. Sanpete County already has a licensed substance abuse disorder counselor. An open ended-90 day treatment program is part of this proposal, and will be held in the jail. The five counties working on this together have 50% of the jail population in the state. Sanpete County is asking for \$235,764.00 to fund this. Motion is made by Commissioner Bartholomew to approve the Justice Reinvestment Initiative (JRI) applications to Corrections and Juvenile Justice (CCJJ). The motion is seconded by Commissioner Frischknecht, and the motion passes.

SEAN KEARNEY: DISCUSSION OF ZONING REGULATIONS AND POSSIBLE VIOLATION BY RUNNING A MANUFACTURING OPERATION NEAR CAMPERWORLD

Sean Kearney and Scott Olsen are present. Across the street from CamperWorld is a residential subdivision. A manufacturing facility has been in operation for several months in the residential area. Mr. Kearney wants to know why this is being allowed, and is not being shut down. Mr. Olsen states that the subdivision recorded CC&R's state all lots are owned for single residents except certain ones designated for commercial use. The lots being used for manufacturing are included in those designated for commercial use. A power service was put in place in June. Mr. Kearney expressed his concerns in July. Mr. Olsen explained to the owners that the commercial designation on these CC&R's haven't been approved by the County, so they aren't recognized by the County. The owners then arranged to lease a place for their operations. That agreement starts today, and it will take about one month for the move to be completed. Mr. Kearney doesn't believe that the owners did enough research before starting their operations. He asks why they have been allowed to continue their operations. Since the lease begins today, the Commissioners request that Mr. Olsen request that they do not accept any more deliveries at this location, and inform them that they have 30 days to remove the operation from the current site.
